

MAN-T

Lounge Chair with lamp - Ref.: MANT WL

Inspired by the graciousness of stingrays and their flying movement under water this lounge chair invites you to chill. The wings of this accent allow you to rest your book, iPad or drink and the integrated, moveable "touch me" LED light provides unobtrusive illumination where you need it. Seamlessly adapt the height of the headrest to fit your personal comfort level and relax.

Designed by Architect Fernan Hernandez | *Hand-crafted in Italy.*
