

BELLA FIGURA

Vortex Lamp

TL816

Collection Name

VEGA COLLECTION

Each Vortex table lamp is a unique art form. No two pieces are exactly the same, owing its sculptural form to a completely handmade, mould-free creation which allows for the unconstrained formation of each lamp's graceful twists and folds. We find ourselves entranced by the frozen fluidity of the Vortex glass, which evokes contemplation with its extraordinary beauty. IMPORTANT NOTE - Amber and Midnight glass finishes are currently only available as singles.
